# PROGRAM OVERVIEW

All programs are designed to accommodate students from beginner through advanced levels of Spanish language. A placement test is given at the start of the programme to determine each student's level of Spanish proficiency.

In addition to completing two courses and improving their knowledge of the language, students will be immersed in the Spanish culture while living in Madrid---one of Europe's liveliest capital cities. Our Dehesa de la Villa campus is conveniently located in the university area of Madrid and easily accessible by public transportation.

To facilitate cultural integration, all programs feature six cultural activities (included in the program fee). For an additional fee, we also offer lodging with a Spanish family and activities such as one-day excursions, or an evening event.

## SPANISH LANGUAGE AND CULTURE PROGRAM
